Program for July Fourth Takes Shape

Ball Game and Sports Will Feature Afternoon Activities

Picnic Dinner, Program and Dance Scheduled for Evening

With most of the preliminary work accomplished, the Fourth of July celebration for Sierra Madre is beginning to loom as one of the most important get-together affairs staged in this city for many years. Committees have been appointed and at a meeting to be held in the offices of the chamber of commerce tonight at 7:45, the details and unfinished arrangements will be taken care of.

It is planned to open the day's festivities with a ball game at the school grounds at 2 o'clock. That Sierra Madre talent of no mean order will be available is indicated by the lacing the local All-Stars handed the Monrovia League leaders in the first game of the season. The game will be followed by sports for the children, at the city park, and a number of handsome prizes have already been promised by local merchants. Full announcement will be made of this feature next week.

At 6 o'clock all who wish will join in a big picnic dinner at the park, with free coffee, sugar and cream. A barbecue was discussed but on account of the lack of pits and other necessary appurtenances this feature was laid aside for another year.

Following the dinner, a program will be offered on an improvised stage in front of the park house. The American Legion Post will open the program with appropriate exercises, and they especially invite all G.A.R. men to be their guests on this occasion. All veterans of the great civil war are asked to get in touch with Bob Steinberger, post commander, so that proper arrangements can be made to honor the heroes of '64.

A speaker of wide prominence will be procured for a short address immediately following the Legion's part in the program. Several possible speakers are under consideration but no selection has as yet been made.

The address will be followed by presentation of prizes and a program of music, instrumental and vocal will provide entertainment for the citizens who will be present to enjoy the first open air concert of the season.

A splendid spectacle is being considered by the Fire Department and it is believed that details will be worked out at their meeting this evening.

Dancing, with a fine orchestra to furnish the music will serve as a windup to the day's festivities.

The following committee chairmen have been appointed, and they will select their own committee members: Grounds, E. H. Keegan; lighting, J. E. Carpenter; dance, Frank Spencer; finance, W. H. Ingraham; publicity, Mrs. Emil Sturmthal; fire department, Chief W. B. Richards; program, American Legion, Roy Pickett; baseball, C. B. Scott; children's games, Miss Sykes; Women's Auxiliary, Mrs. R. W. Stewart.

The Boy Scouts, under the direction of Arthur Evans, and the Campfire Girls, under Miss Clara Sykes, will be asked to assume duties looking toward the general welfare of those in attendance.

The Girl Reserves have asked permission to dispense ice cream and other sundries, affording an opportunity to procure refreshments during the afternoon.

All interested in the forthcoming celebration are urged to attend tonight's meeting. Committee chairmen, especially, are urged to come out tonight, as the time is drawing to a close when constructive work can be accomplished.

Homer W. Glidden, who has spent several months in Chicago in charge of the Batchelder-Wilson Tile Company branch, arrived home on Sunday for a short visit. He was accompanied by his daughter, Miss Elizabeth Glidden, who has been attending Northwestern University.

Mr. and Mrs. J. H. Robertson were members of a theatre party Monday evening. The guests of Sid Grauman at his Chinese theater in Hollywood.

MAKE CITY CLEAN BEFORE FIRE PERIL BECOMES MORE ACUTE

In another week the clearing of inflammable growth from all property in Sierra Madre will be undertaken by the city authorities.

But why wait for the city to do the work? Property owners will find it just as cheap, if not cheaper, to have the work done themselves.

Promptness is a great virtue in this connection. The fire danger from grass-covered lots is acute. As the moisture content of the air becomes lower the danger becomes greater. The sooner the dry growth is removed the better.

Property owners should cooperate in this fire prevention campaign and see that their land is made safe at the earliest possible time. This summer fire season promises to be especially hazardous, requiring the utmost vigilance on the part of everyone.

Many Good Programs for The Open Air

Sciot's Band and Drill Team Tentatively Scheduled for July 20

Sierra Madre music lovers are to have a splendid series of concerts in the city park this season according to W. R. Humphries, "Chief Good Will" of the newly formed Goodwillers Club. The first concert following the 4th of July celebration will probably be offered by the Sciot Band of Pasadena, one of the finest organizations of the kind on the coast, and winners of many honors in band contests. E. R. Horner, manager of the band and Sciot drill team, has stated that the band will be in Sierra Madre at an early date, and July 20 has been tentatively set as the night. The drill team will accompany the band and perform their drills in a street near the park. It will be a notable event from every standpoint.

The American Legion at its meeting Wednesday night, volunteered to take charge of the program at one of the Friday night series, and with their well known ability to "put things across" another stellar entertainment is certain.

Another widely known concert band will appear during the season, announcement being withheld pending more definite information as to time.

A dramatic production by local talent will undoubtedly be offered when the stage is erected in the park grounds, and a light opera is being discussed by prominent musicians and directors.

Grays Leave For Lengthy Motor Trip

Mountain Photographer Feels He Is Entitled to Long Vacation

Mr. and Mrs. E. B. Gray left Tuesday for a three-months motor trip through the east. They were accompanied by their daughter, Ernestine, and their son Robert. They expect to cover about 12,000 miles. Much of the time will be spent in Ohio, their old home state. They will also visit relatives in New York and Michigan.

Mr. Gray recently sold the Trail Store in Sierra Madre canyon to B. W. Bailey who, with Mrs. Bailey, is now operating it. They disposed of the Little Gray Inn on Sturtevant Trail some time ago.

After spending something like twenty years without interruption at operating photographic studios and refreshment stands in the mountains, Mr. Gray said he thought he was entitled to take a lengthy vacation trip. And after spreading the good word concerning the glories of the Sierra Madre mountains through the east he will doubtless be ready to return to them for another 20 years.

C. W. Jones is leaving at noon today on the Santa Fe limited for Chicago.

Park Stage Project In High Favor

City Council Finds Plan Has Approval of Many Groups

Clearing Land of Fire Menace Is Ordered in New Resolution

New impetus was given the movement for erection of an entertainment stage in the city park at Wednesday night's council meeting. The lot-clearing program was also advanced toward actual cleanup work. With Mayor Thayer and Councilman Isaacs in the east, Councilman Hall was chosen chairman pro tem. Councilmen Belohlavek and Myers made up the quorum.

Mrs. Milton Steinberger represented the special committee appointed to present tentative plans for the stage. She reported full approval of the central committee and all organizations approached concerning the project. Prof. Oscar Seiling, chairman of the planning commission, was unable to be present but had asked Mrs. Steinberger to speak for him.

Rough sketches of a stage with classical columns, designed for large productions and pageantry were presented by Mrs. Steinberger. Architect R. M. Finlayson was also present and was requested to carry the idea further with more detailed sketches. This he agreed to do without expense to the city for the preliminary work. In order to avoid loss of time he was requested to present the new sketches at the regular meeting of the board next Tuesday night.

In order that all who are interested may be made familiar with what is planned, it is urged that next Tuesday night's meeting be largely attended.

Clearing all property of inflammable grass and weeds was ordered by resolution formally adopted by the council. This followed presentation of a report by Marshal Keegan, listing every parcel of land in need of such treatment.

Under the terms of the resolution, notice will be posted on each property involved. A hearing will be held on Friday, June 29, for any property owner who wishes to protest against the work. On the following day Street Superintendent Carpenter will start a crew of men on the clean-up work.

Cost of this cleanup will be charged against each piece of property and the owner will find it on his tax bill next fall. Those who wish to have the work done at their own expense may do so, the only question being which crew of workmen gets there first.

Masons Invited To St. John's Day Services Sunday

Members of Sierra Madre Lodge No. 408, F. and A. M., have been invited to attend services at the Congregational Church in observance of St. John's Day next Sunday morning. This is an ancient custom which is followed in all parts of the world. Convers L. Twycross, master of the lodge, requests the members of the lodge to meet outside the church at ten minutes before 11 o'clock so they can enter in a body. Rev. A. O. Pritchard, the pastor, will preach a sermon appropriate to the occasion.

Next Tuesday night the Entered Apprentice Degree will be conferred by the lodge. The ritual work will be followed by brief talks on the symbolism of the Masonic apron by members of the lodge, and light refreshments will be served later. All Masons residing in Sierra Madre are cordially invited.

The preliminary survey being made by the county surveyor's office of the proposed high line on Mountain Boulevard has been completed and from this data a careful and comprehensive study and survey will be made.

The proposed boulevard will be of tremendous scenic possibilities, rivaling any similar road now in existence. It has the endorsement of many engineers.

Mr. and Mrs. Henry W. Timm of Los Angeles were among the visitors at the Congregational dedication services on Sunday and were guests at the home of Mrs. Fred Staff.

Kiwanians Enjoy Dancing Party at the Woman's Club

Attendance at the Kiwanis dance and card party Monday night was very good and the guests had an evening of thoro enjoyment. Harold Hart's orchestra furnished music for dancing and the Wistaria room, arranged for bridge and 500, proved popular with a large number. Many of the guests alternated from one room to the other and a merry spirit prevailed throughout.

"Zero hour" was observed by the members of the Kiwanis Club and guests who had arrived as early as 8:15. President Webster called the group together promptly in common with the members of the 1700 Kiwanis clubs and the international convention which was opening in Seattle at the same time. Singing of America, pledge to the flag, and the reading of the message of the international president constituted the brief program.

Full Quota Of Garments To Be Made

Red Cross Production Committee Calls in All Home Work

The production committee of the Red Cross chapter requests that all children's garments be returned to the Woman's Club House Saturday, June 23, between 1 and 2:30 o'clock. Mrs. J. Milton Steinberger, committee chairman, says it is necessary to have these garments returned at this time, finished or unfinished.

This work will be prepared for packing at a meeting to be held in the club house Tuesday afternoon at 2:30. It is also requested that all sweaters be returned to the same place Wednesday, June 27th.

The Sierra Madre quota of garments will be shipped to the San Francisco Red Cross headquarters Thursday. In next week's News will appear a list of the work accomplished and acknowledgement of the help which has made the quota possible.

Banking Day Observed As Schools Close

Public School Children Take Their Money to Local Bank

Sierra Madre school children have just completed their third year of work in Thrift. This work, made possible by H. E. Allen, president of the Sierra Madre Savings Bank, who has financed the buying of school banks, and materials, and who has procured thrift instructors, has made tremendous progress in the three years in which thrift has been a part of the school curriculum.

At the close of the thrift program for the year, fifty-two school savers made a trip to the bank and deposited \$92.36, which made the total of school savings amount to \$1605.36. There are 127 accounts, an average of \$12.64. This bank day, when children can go en masse to the bank with their savings has become an annual event, and the children are shown thru the bank and given an insight into banking operations.

But thrift in the schools embraces more than the saving of money. A great number of children earn their own money thru various kinds of work, such as helping at home, moving lawns, taking care of children, and selling papers. Mr. and Mrs. A. M. Butler, the thrift instructors, teach the children to be thrifty of their time, health and materials. With the fine cooperation of Miss Steinberger, principal of Sierra Madre school, and her teachers, thrift activities in the school have been carried out.

Shortly before the close of school three costumed thrift plays were given by the children. Two of the plays, "The Thriftier Way" and "Henry's Lesson," brought out the value of wise saving. "The City of Thrift" enacted by the sixth grade portrayed thrift in many aspects as it showed the thrifty habits of nature's animals.

Thrift in the schools is a real character builder and children who are thrifty and saving thru their own efforts invariably become good citizens.

Union Makes For Strength In Business

Clagstone Tells Kiwanians How Nation's Business Is Fostered

Economy Secured Thru Joint Effort Is an Aid to Prosperity

Paul Clagstone, manager of the western division of the Chamber of Commerce of the United States, was the speaker at the Kiwanis luncheon on Tuesday. Several members of the local chamber of commerce were present in response to the general invitation extended, and the speaker was introduced by President J. M. Campbell of the chamber of commerce.

President T. M. Webster read a telegram he had just received from Ray A. Grant, district trustee of Kiwanis and delegate to the international convention in Seattle. Mr. Grant reported 100 per cent representation of the more than 1700 clubs and everything pointed to the greatest convention in the history of Kiwanis.

Mr. Clagstone reported briefly on the transactions of the recent convention of the chamber of commerce of the United States, when a large number of the keenest business minds of the nation were heard. In discussing and forecasting prosperity, he said, it is first necessary to arrive at an understanding of prosperity. One of the best indications, he declared, is the fact that the great mass of people of this country are able to buy so largely of the things which are rated as necessities, and even special comforts and luxuries. Judging by this standard, America has for several years enjoyed a degree of prosperity never before equalled in the world.

In the opinion of Mr. Clagstone, this prosperity will not only continue but increase, because business is conducted less by guess and more on the basis of actual information. Exact knowledge of buying power in given areas, based on intensive surveys, has prevented over-production with its many attendant evils. Standardization conferences have resulted in the elimination of many unnecessary articles from manufacture, with great resulting economy.

Through all these efforts, declared Mr. Clagstone, runs the thread of cooperative effort. Results have been accomplished by organized business which no single enterprise could possibly have brought about. It is the purpose of the national organization to continue surveys and such cooperative work so that the results may be made even more comprehensive.

Celebrate For Sixty-two Years Of Wedded Life

Mr. and Mrs. Frederick O. Nichols, 45 Olive Street, celebrated their 62nd wedding anniversary yesterday by going to Los Angeles for dinner and the theatre. They can still enjoy a "blowout" all by themselves just as completely as in the days of their courtship.

Mr. and Mrs. Nichols were married at Thomaston, Conn., both being 20 years of age. They were not so immature then as the age might indicate, for Mr. Nichols had served three years in the Civil War, receiving his discharge at the age of 18. He took part in some of the most important engagements of the war and in thirty-two actions received only one slight wound. They are the parents of Mrs. Irving N. Ward of Sierra Madre.

Mrs. J. H. Robertson, formerly Mrs. Agnes McLaughlin, has just completed some research work for the psychology department of Stanford University. The work was part of a nation-wide survey and Mrs. Robertson was asked to do the Southern California unit, in recognition of her attainment along that line at the University of California, from which she was graduated last June. The honor came as a complete surprise.

Miss Lou Reed of Mar Vista, was a guest of Mr. and Mrs. Joe R. Eastwood and Lela Joy Wednesday. It was the occasion of the latter's second birthday and a jolly party was enjoyed in the evening. Miss Reed is Mr. Eastwood's aunt.

REGISTRATION FOR JULY BOND ELECTION TO CLOSE SATURDAY

Saturday will be the last day on which voters can register for the municipal bond election which will be held July 24th.

Voters can register at the city hall any time today or tomorrow. Mrs. Marie MacArthur, deputy city clerk, who is in charge of the office during the illness of City Clerk Dietz, says she will remain in the office Saturday afternoon when the office is usually closed. This will doubtless accommodate many voters who find it difficult to get there during business hours on other days of the week.

All voters who have not registered since January 1 of this year, must register for this or any other election to be held this year. All who have registered and since moved to another precinct must change their registration.

Cities Plan Exhibit at Long Beach

San Gabriel Valley to Have Space at Industrial Exposition

President J. M. Campbell and Woodson F. Jones, director, represented the chamber of commerce at a conference in Azusa Monday night at which twenty-five cities of the San Gabriel Valley were represented. The evening was devoted to plans for a cooperative exhibit at the coming Long Beach exposition.

It was the unanimous decision of those present that a creditable exhibit could be put on for the forty days of the exposition at a cost of not over \$750. Of this amount \$200 would be for space. It is the plan to install a booth at which each city would be allowed to place literature. In addition each city would have charge of the booth for one or two days during the period, with the privilege of staging any sort of program or special feature that can be arranged.

Mr. Campbell reports that the cost is to be pro-rated among the participating cities on a population basis. The cost to Sierra Madre is tentatively placed at \$25.

Mr. Campbell was named chairman of the executive committee. S. E. Skidmore of Azusa was named chairman of the finance committee.

Bible Work In Vacation Is Alluring

Daily Vacation School Has Many Attractions for Youngsters

Daily vacation Bible school sessions began Monday morning both in Bethany Church and the First Congregational Church. Excellent enrollment was reported at both schools and regular work was gotten under way promptly.

At Bethany Church the work is in charge of Miss Frances Stone, who is assisted by Mrs. F. Harry Cram, Mrs. J. A. Reed, Mrs. J. W. P. Calhoun and Miss Elizabeth Polsue.

The Congregational school is directed by Miss Luella Knapp, who is assisted by Miss Haines, Mrs. Jack Wilkerson, Miss Melissa Clark, Miss Rosemary Miller and Miss Martha Sharp.

At these schools, which will be in session five forenoons each week for about six weeks, instruction is given in the Bible by means of regular class work, games, and a variety of hand work. The youngsters who enroll seem to find the sessions so interesting that school is no hardship at all.

The Mothers Club will meet on Friday, June 29, at 3 o'clock at the Congregational Church. Mrs. Nestor Young will conduct a class on "The Presentation of Sex to the Child." The meetings of the club have been changed to the second and fourth Fridays, in the women's parlors.

Many Attend Dedication of New Church

Congregational Church Consecrated to Worship and Service

Reception and Open House Wednesday Attracts Many Visitors

Events of dedication week in the new Congregational Church brought to the new structure not only many hundreds of local people, but visitors from all over Southern California. The happiness of the members over the splendid achievement was joyously shared by all. It was especially evident among those who saw the building for the first time with its rare combination of beauty and utility.

Rev. Arthur O. Pritchard, the pastor, presided at both services on Sunday. In the morning the structure was dedicated to the worship of God with an especially impressive service. Dr. Henry Kendall Booth of Long Beach preached the sermon, which was a masterpiece of thought and diction. With his winsome and compelling personality, the speaker made a profound impression on his hearers. New times call for a restatement of beliefs and a revision of methods. In the new house of worship, which he called "exquisitely beautiful," Dr. Booth found a splendid setting for an expression of these ideas. Dr. Ralph Larkin of Ontario pronounced the prayer of dedication.

In the afternoon the church was dedicated to the service of humanity with a service having a community character. The Rev. H. B. Moore of the Church of the Ascension delivered the invocation and read the scripture lesson. Rev. Oscar Sweeney offered the prayer of dedication. Mr. Pritchard read a message from Mayor W. F. Thayer, who is in the east, and Col. Herman Hall spoke also on behalf of the city government and the community. Leslie Gaze sang "He That Dwelleth in the Secret Place of the Most High," with accompaniment by Mrs. Gaze. His rich voice and the deep thought of his interpretation made it very impressive.

Dr. Daniel F. Fox of Pasadena and Rev. Perry Schrock, moderator of the Congregational Conference, brought the greetings of the other churches of Southern California. Both referred feelingly to the place the local church holds in the hearts of the ministry by reason of the service of two former pastors, Dr. James Mann Campbell and Dr. Fred Staff, for whom memorials are incorporated in the building. Mr. Schrock also paid high tribute to the present pastor whom he had known since student days at Union Seminary.

The music which played such an important part in the services of the day was in charge of Mrs. Myrtle Hill, pianist, and Miss Laura Cadmus, choir director. The latter sang "The Lord is My Light" as a solo with fine effect. Miss Clara Sykes at the small organ and Mrs. Homer Glidden, trumpet, assisted with most pleasing results. The large chorus choir did excellent work in anthems, responses and leading the congregational singing.

On behalf of the building committee N. W. Tarr and E. E. Bacon made brief statements, acknowledging the part various persons have had in bringing the building to completion. No appeal for support was made except on the same basis of free will offerings which has prevailed from the beginning.

It is understood the collections for the day amounted to \$1200. This puts the financial side of the enterprise on the following basis: Cost of building and furnishings \$76,000; cash paid in, \$37,250; pledges outstanding, \$11,000; to be received, from church building society, \$10,000; total, \$58,250. Amount yet to be provided for, \$17,750. Against this, the church owns free of debt the property consisting of 100 feet of frontage and old church building on the north side of Central. This is estimated to have a minimum present value of \$7,500 but it is understood a considerably larger amount is expected to be realized from it.

The building committee had asked for cash payments of \$7,000 during the dedication period in order to reduce the amount of temporary borrowing. Approximately \$4000 of this has been received, with the promise of the (Continued on Page Eight)

Society and Personal

Friendship Club Hosts At Interesting Meeting—

The Friendship Club of the Congregational church held their last meeting of the season on Friday afternoon at the Park. The Mother's Club and their children were the specially invited guests. Mrs. Cecil Kellogg was the gracious hostess for the afternoon and she entertained the members of both the Friendship Club and Mother's Club and their children at the Social hall of the church at four o'clock with a delicious birthday supper in honor of her little daughter June.

Other guests of honor were the June birthday members of the club, Miss Elizabeth Dunning and Mrs. Jean McDonough. Each received lovely bouquets of flowers with congratulatory cards attached. Another pleasant feature of the afternoon was the presentation of a beautiful pin, a friendship circle of white gold set with a garnet, to the president of the club, Mrs. Maybelle Hawkins, by the members, in appreciation of her services during the past year.

The club will adjourn until September when they will start in on their fall work of dressing dolls for the Christmas bazaar. About forty guests were assembled for this delightful end-of-the-season party.

W. S. O'Brien, who recently came here from Escondido and purchased property at 141 Esperanza Ave., has a card in this week's News as a rock garden specialist. He has done much work of this character in Escondido, Tujunga and Santa Barbara. He also makes garden furniture and other specialties.

Sierra Madre schools will be well represented at the summer normal school sessions at Lake Shore on Huntington Lake, Fresno county. Miss Helen Wones and Miss Claire Newman are enjoying their vacation there and carrying on school work at the same time. Both teachers were accompanied by their mothers on the trip.

Miss Grace Borradaile leaves today for New York whence she will sail on July 7 for Europe. She will spend some time traveling through Norway, Sweden and Denmark, and then south through France and Spain. On the way east Miss Borradaile will visit friends and relatives in Albuquerque, St. Louis and Rochester, N. Y.

Mrs. John Borradaile will go to Coronado next week for a summer outing. Her daughter, Mrs. Anita Otero, will leave for San Francisco where she will spend several weeks.

Mrs. Frank Hart and Mrs. Harold Hart have invitations out for a bridge luncheon today and also for Monday, June 23. The guest of honor will be Miss Marian Smithson of New York and Paris.

She is spending her vacation in California, her former home, having just returned from Europe where she has been studying violin with Eugene Ysaye.

Mrs. Mabel Seay, 48 West Alegria, is looking forward to a visit from her son, John Seay, who will arrive in Los Angeles harbor on Saturday after a cruise to the Hawaiian Islands as one of the crew of the U. S. S. California.

Mr. and Mrs. J. T. Railsback returned home on Saturday from Kansas City where they spent several weeks visiting friends and relatives in the old home region. Their friends will be glad to know that Mrs. Railsback is much improved after a serious illness.

Mr. and Mrs. F. M. Jaques have purchased the little residence at 155 N. Lima through the W. R. Humphries agency. Mr. Jaques is a grand army man and for many years was engaged in the building trade. He was married last Saturday, taking for his bride Mrs. Mary Lewis.

R. B. Rose and family of Pasadena have rented the house at 535 W. Manzanita and moved in last Tuesday.

Charles S. Seeley and son, Freese, returned to their home in Kingman, Ariz., Tuesday after visiting for ten days at the F. B. Seeley and M. D. Welsher homes.

Mrs. Victor Palm of Berkeley has been visiting the past few weeks at the home of Mrs. Cameron Dickinson, 965 East Grand View Ave.

Upland citizens are planning a three-day celebration, June 27-28-29. The summer band concerts will be opened officially on the first day of the carnival and the chamber of commerce will conduct its annual membership campaign. Business men and their employees will meet for a get-together banquet on the evening of the 27th. The carnival will close with a great free barbecue and a program.

The Community Music Association of Redlands has arranged a comprehensive program for summer entertainment in that city. Each Tuesday evening local talent will provide the program and on Friday nights artist concerts will be provided. The programs will be given in the outdoor amphitheater and the Smallman Acapela Choir of Los Angeles will open the series tonight.

Puente is going to have a twilight league with the high school ball grounds supplied with flood lights, so that early darkness will put no halter on the games. Interest in this popular pastime is so great in Puente that it is thought it may be necessary to form two leagues.

Going away...for a rest?

WE ALL look forward to the annual rest period—vacation time. But many of us fail to get the greatest benefit from that rest. In the back of our minds is the little imp "Worry"—about the folks at home—about business.

There is one sure cure for this ailment common to most vacationists. Keep in touch with home and with business by telephone. Every vacation spot is just a few minutes away by this rapid, dependable and economical service.

And when you're planning the big vacation, let the telephone aid you again by assuring just the travel and hotel accommodations you want. To telephone in advance for reservations is the best insurance against disappointment.

Fire Flames

By One of the Boys

If there's power in committees, Sierra Madre's on the map, to compete with other cities and awaken from its nap. There's one that's working on the park, another boosting roads; there's one that's working in the dark and carries heavy loads. There's one that beautifies the town with plans and plans and schemes—there's one that keeps the noises down, and one to think up themes. There's one that meets on Monday night and one for Tuesday, too; also there's one for Sunday night because no other night will do. They all mean well, there is no doubt, we wish them all success; the one that puts the "fires out" meets Friday night, I guess.

It's coming near election time, in regard to pools and water; you have your choice of one or two—if you don't vote, you oughter. The kids are anxious for a swim, to them it doesn't matter, just so they have a swimmin' hole, so they can duck and splatter. Regardless of the swimming pools, the water bonds should carry, for they are most essential—just let your deep throats tarry.

The Firemen meet on schedule time, tonight at seven-thirty; they give us little dope for rhyme, in fact they treat us "squirly." We always like to tell the truth and never make 'em up; we like to get 'em in their youth and in Fire Flames, shake 'em up.

A fellow stopped us, we, or it, on the street the other day and asked if Chief Richards was "tight." One look at the chief's ears will answer that question. Another wrote in and asked if Pete was married. Answered: Did you ever see a married man out in a Ford coupe each evening of the week? One of the inquiries mailed to us was: "How old is Louie Karger?" Well, if a fellow is as old as he acts, I'd say Louie was about 22; but he actually is eighty-five.

We had a regular house-cleaning up at the Firemen's quarters last week. A number of the boys cleaned, waxed and polished the floors. Keegan gave his moral assistance. McMillen was seen on his hands and knees. Several others aided, but that's alright—I won't tell on 'em.

This is one of those times when I ask for aid.

Who's Right and When, is Question For the Audience

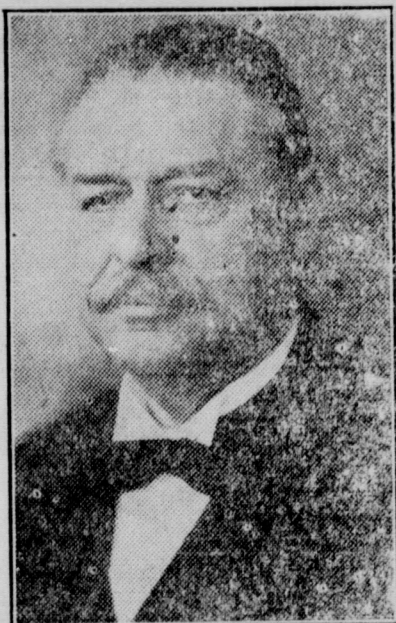

As a usual thing a play has a plot, and when the curtain drops on the final act, the audience goes away in full possession of all the facts. But in "Right You Are" Luigi Pirandello starts something and goes away leaving the audience to figure it out to the best of its ability. And after the play gets under way, the audience begins to wonder which one of the characters is crazy, decides later that the author is mentally deficient, and closes a pleasant evening convinced that the Quaker was right when he said that "All the world is daft except thee and me, and sometimes I have my doubts about thee."

"Right You Are" will be passed on to the audience at the Pasadena Community Playhouse, June 26 to July 7, with a cast that will make it interesting.

Dr. George Clinton Ward

Ward Given High Honor by University

For the third time in three years signal honor has been paid George C. Ward, executive vice-president of the Southern California Edison Company. On last Monday Dr. Ward had conferred on him the honorary degree of doctor of science at Oberlin University. This degree has been awarded on only eight previous occasions by Oberlin and was given Dr. Ward in recognition of his work in applying the results of scientific research to the field of electrical and mechanical engineering.

A year ago Dr. Ward received the honorary degree of doctor of engineering from the University of Southern California, and in 1925 he was the recipient of a bronze medal presented by the United States Chamber of Commerce upon the completion of the Florence Lake tunnel in the High Sierras.

Rich Man's Lot Easier

The rich man today has an easy time of it compared to his brother who lived in ancient times when wealth was wholly in the form of land and houses and flocks, according to J. M. Campbell, writing in the New Age Illustrated. "The rich man of a thousand years ago," he says, "was really the slave of his possessions. The more land he owned, the more houses, the more cattle, the more sheep and horses and goats, the more firmly he was tied; and the harder he had to work. But the rich man of today can turn his belongings into income-producing securities and go where he pleases. For a comparatively small sum he can rent a safe-deposit box in which his stock certificates and bonds and mortgages will be safer than they would be if he kept them in his own hands."

Time to Be Cautious
The commonly accepted explanation of the saying, "Beware of Greeks bearing gifts," is to be cautious in trusting persons who introduce their proposals or requests with gifts. The origin of the saying is a matter of dispute, but it is traced by some authorities to Virgil's statement, Aeneid, II 49: "I fear the Greeks, even when they bring gifts." Presumably this referred to the wooden horse stratagem at the siege of Troy.

Pooh!
Marie was very enthusiastic regarding the new minister, and young Willoughby was inclined to be jealous. "Oh, he is superbly eloquent!" cried Marie. "He can move his hearers to tears." "That's a poor accomplishment," said Willoughby, sarcastically. "I would scorn proficiency in an art in which every sneeze is my equal and every peeled onion my superior."

Music Kindergarten to Open Here.

Miss Ann Nintemann, exponent of the Courtwright System of musical kindergarten, will conduct classes at her home studio, 297 North Baldwin Avenue.

Musical Kindergarten is teaching children how to play, sing and read music at sight in such an interesting manner that they are fascinated from the first until the last lesson.

The pupils are taught in classes of five or six, including all ages from three years to twelve. The course consists of five terms of twelve lessons each.

All new ideas are presented by games and stories. Many parents are surprised at what is taught in the musical kindergarten, as they expect only a musical training, while it is really a school except the children attend but twice a week. The system teaches piano playing, rhythm, time, color, ear-training, musical history, harmony, major and minor scales, etc., carries pupils through fourth grade work, and lays a substantial and practical foundation.

It is especially helpful to the children to be taught in classes, as they have the pleasure of companionship and the incentive of competition. This is especially true of the nervous child, who dreads to play before people.

In the class, each child has an individual piano lesson, as well as the ensemble work, and from the start becomes accustomed to playing before the class.

Many a musical child has become thoroughly discouraged by other methods, whereas by this system they are more than delighted and encouraged by the piano lesson every week, and you will find that parents who are looking for results are delighted with this system. It has been demonstrated over and over again that a child starting with the Courtwright System of Musical Kindergarten Course will, at the end of the year, far excel the child who starts as a private pupil. Not only has the child the same piano work, but all the other study and history of music, and has learned it in such an interesting manner that it has not seemed like work.

This system is used all over the world and is the oldest, most practical, and scientific method ever placed before the profession.

Miss Nintemann will be pleased to furnish particulars to all parents who are interested.

Interesting News Notes Gathered from Here and There

Because homes in its territory are sometimes visited by imposters posing as service men, the Southern Counties Gas Company meter readers, adjusters, collectors and other employees who call at homes will wear neat whipcord uniforms of an olive shade. Gas consumers readily identify authorized representatives of the company who call to render service and the uniform and its accompanying means of identification are already creating a favorable impression wherever they have been observed.

Sunday, June 24, is the date set for the opening of the Ontario municipal air port and dozens of Southern California air craft will attend the celebration. Many interesting contests are on the day's program.

Six Ontario churches are uniting in sponsoring a four weeks' vacation church school.

Burbank citizens are threatening a recall election, aimed at two majority members of the city council. The "Burbank Better Government League" is sponsoring the movement, which is said to be gaining some headway.

The weekly community dances given during the past nine years under the sponsorship of the Pasadena Drama League, will begin soon at Tournament Park. Cheek to cheek dancing, and dancing without coats, collars or ties will be strictly taboo. And, in order to see that the youngsters are kept within proper bounds, a vigilant watch will be kept to see that no petting goes on in parked autos near the park.

A week's entertainment in the nature of a community festival, is now "on" at Glendora. Music,

pictures, discussions, banquets and so on and so forth, ad infinitum, are being enjoyed by the residents of the "Pride of the Foot-hills."

All roads from Yosemite National Park are now open and in good condition, according to reports. This is the earliest opening of the park roads since motorists were first welcomed to the reservation.

THE COUNTY SUPERINTENDENT

FILLING the vacant position of superintendent of schools of Los Angeles county is a portentous task. It is the greatest educational opportunity in the United States right now.

The county civil service commission must make a choice from an eligible list of candidates to be chosen by some sort of examination. It may be promotional, with the candidates restricted to the present staff, or it may be open to all comers and based purely on general fitness for the position.

While the position pays \$6,000 yearly, the salary is not large in comparison with what many high grade educators receive. On the other hand the civil service position assures life tenure and the opportunity for big things would doubtless make it attractive to many men of very high ability.

The school system of Los Angeles county is vast and the county superintendent is vested with great authority. The right man will be one who not only understands the technique of education, but who can infuse a new spirit into the entire school system. Politics should have no part in making this selection. The outcome will affect the welfare of several school generations of children and the wise expenditure of many millions of money. Watch your step, gentlemen.

MORE SCHOOLING AND EASIER

VACATION schools become more numerous with every passing year. Not so many years ago, teachers were about the only people who went to school in the summer time. That was their only chance to brush up on new methods and carry on work for more advanced ratings. Now everybody's doing it.

Many college students take advantage of the summer session to carry on studies the year around and shorten the long period of preparation for life work. Grade school work is also carried on for those who want it, under private and public auspices. The churches have popularized the daily vacation Bible schools and make much more progress in instruction than is possible with an hour or two on Sunday only. Summer health schools and coaching schools bring the total number of vacation-time students to an immense total.

Some day the folly of leaving valuable school plants idle for such a large part of the year will be realized as an economic waste. Practically all schools will operate on a year-around basis. Full year attendance may not be required, but will be largely practiced.

School vacations were formerly thought necessary for health reasons. Hot weather was too trying, and year-around work was too much of a strain. The damaging effect of irregular vacation living, both on health and study habits, was overlooked. Proper curricula and better methods of study will make all-year schooling less burdensome than the old plan. And, with ample time out for recreation and vacation trips, years will be lopped off the time now required to acquire public school and college education.

WHY KEEP IT SECRET?

THE man who sits back in his place of business and says, "They all know I am here" is just kidding himself into a false sense of security. Pretty soon he will be

under the necessity of brushing the cobwebs off his whiskers. Some business may accidentally drift his way but it is not the kind of business that will stay with him, nor is it anything like the volume of business that he might have with a different attitude.

Business is going to the man who tells the world, "Here's what you are looking for, folks, and I'm here to serve you." Ten to one, his store is a safer place to trade, with newer merchandise, and a more enjoyable atmosphere. It pays to read the ads of this kind of merchant in the columns of the Sierra Madre News.

A FOURTH-OF-JULY GET-TOGETHER

THE announcement that Sierra Madre is going to hold a celebration on July 4th is meeting with almost unanimous approval. With automobiles congesting the highways on Sundays and holidays to such an extent that it is becoming a real problem to get from where you happen to be to where you want to go, the home-town "party" will afford plenty of wholesome entertainment and when the roll is called next morning the entire population should be found safe and sane and sound.

It is not the aim of those sponsoring the celebration to outdo the world in regard to gigantic exhibits of fireworks, bathing beauties or bucking bronchos, but it will be an opportunity to mingle with neighbors and friends, something that isn't usually done in these days of easy transportation.

Every organization in the city is asked to take part in the program; the better the cooperation, the better the celebration.

It's a splendid opportunity to see what can be done in short notice in this city.

THE SPARE TIME OF BOYS

(Brooklyn Standard-Union)

WM. LEWIS BUTCHER of the State crime commission, is responsible for the statement that 85 per cent of juvenile crimes are committed after 3 o'clock in the afternoon, and that the problem is to find out what boys do in their spare time.

"For a long time we have been told that the wayward boy was lacking in something that was needed to balance his character; that his lapses were something he could not control, and that the incorrigible lad was a scientific problem, and not a creature with normal tendencies and plenty of pep, who simply found an outlet for his emotions in the things inhibited by law and offensive to a well-ordered society.

This opinion is refreshing for it removes the idea that a large percentage of our growing boys were laboring under some sort of mental handicap and were more to be pitied than blamed.

It seems, however, that the boys are just devilish in some cases; that they get into trouble while not intending to do wrong, and that they are sometimes influenced by bad companions.

"The Boys' Club Federation has hit upon the plan to keep open house that the boys of the street may avail themselves of the opportunity to build themselves up physically and mentally.

"The welfare of America reposes in its growing boys. What the boys are today, the men of the future will be. It all depends upon the way the boys get started and are steered."

LOOSE LADIES OF LETTERS

(New York World)

IN a letter too long to publish, Mr. Maxwell Bodenheim, author of "Georgie May" asks why the underworld prostitute should be considered an inferior theme, when she is "more honest and truthfully courageous than her surrounding sisters," or why a middle-class environment may not be just as ghastly and tediously ugly as that where dirt and garbage dominate openly. He suggests that American critics are in the grip of a "perfume-complex."

When a writer gives nothing more than an ironic contemplation of the intuitive ways of a loose lady he is wasting his talents on an inferior theme, for she is much easier to depict than a more complex character, hampered by culture and normal conduct. That the lady is more honest or thoughtfully courageous than her normal sisters is the misconception of those who fail to grasp that she is neither honest, thoughtful nor courageous, but usually merely lazy. As a matter of fact, normal living is much more difficult, since it involves an exercise of the will; that it is much more hazardous any novel will prove.

Society and Personal

Enjoyable Affair at Woman's Club—

One of the loveliest parties of the season was given in the Wistaria and Osgood rooms of the Woman's Clubhouse Saturday afternoon when Mrs. Carroll King and Mrs. Bradley Metcalf entertained sixty guests from Pasadena, Long Beach, Burbank, Venice, Flintridge, Eagle Rock, Los Angeles and Sierra Madre at a beautifully appointed luncheon and bridge party.

A color scheme of lavender and yellow was used thruout in decoration. Bowls of pansies in lavender and yellow shades were used for centerpieces on the luncheon tables. The Osgood room was a bower of flowers. Tall fern stands were placed at intervals in the dining room with trailing greenery. A bride's table was beautifully decorated in the center of the room where Mrs. Wm. Van Pelt of Flintridge, a recent bride, and a niece of Mrs. King, was seated. High scores for bridge were won by Mrs. Carl Young, Mrs. Al Miller, Mrs. Laura Baskins and Mrs. John Brain. Consolation prize went to Mrs. Chas. Klunk.

Out-of-town guests were Mrs. Charles Fisher and Mrs. J. A. Swall of Burbank, Mrs. Lloyd Lasiter and Mrs. John Brain of Mar Vista, Mrs. Lucien Swall of Hollywood, Mrs. Cecil Patey and Miss Janet Patey of Eagle Rock, Mrs. James Gully of West Hollywood, Mrs. A. L. Markwell, Mrs. Eugene Alley, Mrs. Francis Mann, Mrs. Damon Lee and Mrs. Jas. Briggs of Los Angeles, Mrs. Morton Portius and Mrs. William Van Pelt of Flintridge and Mrs. Carl Morin of Pasadena.

Mr. and Mrs. C. J. Steinel have come from Los Angeles to make their home in Sierra Madre, having just completed a charming new residence on Mira Monte Avenue just east of the Griebnow home. Mr. Steinel is superintendent of telegraphs for the Union Pacific Railway, with headquarters in Los Angeles.

Mr. and Mrs. George Attridge and Miss Alice Attridge of Riverside came over for a week end visit at the home of Mr. and Mrs. H. J. Buckingham.

Mr. and Mrs. Convers L. Twycross left Tuesday morning for Newport Beach where they have taken the Ward cottage for a vacation outing.

Edward Schneeberger left Wednesday morning for Yosemite National Park. In company with a friend with kindred inclinations he will spend some time hiking in the High Sierras and adding to his splendid collection of photographs. His daughter, Miss Angela, left the same day for their old home in Cleveland, Ohio, where she will visit for several weeks.

Girl Reserves to Hold Food Sale—

The Senior Girl Reserves will hold a sale of cooked and baked foods at Welscher's Market Saturday morning, beginning early and continuing until the food is disposed of. The proceeds will be used to help pay the expenses of a representative at Asilomar.

The girls will hold a meeting at the Congregational Church tonight at 7:00 and important matters will come up for discussion. It is urged that every member be present if possible.

Social Evening at the Parish House—

A social evening will be held at the Parish House of the Episcopal Church on Thursday, June 28. Bridge and Five Hundred, with refreshments and prizes.

The committee issues a cordial invitation to attend the affair, to which a nominal admission will be charged. The usual good time is guaranteed.

And still no high school!

But, by gum, the natives are beginning to cluster around the 'dobie lamp posts, inquire what it's all about.

And we'll have to admit that's some progress.

Ten thousand readers of the News (more or less) have asked what to do about it—and how.

Well, seems if all the people interested would begin to do something besides converse, they'd sorta rile up the proper atmosphere and get the matter before 'em in a legal form. The city wanted a city hall—and got it; the fire boys wanted a fire wagon—and by a lot of mighty hard work, they got it; the city dads wanted some water money—and they're askin' for it; a lot of folks wanted a swimmin' hole—and they're going to have a chance to get two. If the people of Sierra Madre want schools—they'll get 'em. But just between you and me, folks, there ain't no Santa Claus. If we want a new school we'll have to do somethin' besides hang up a sock. Some of us may get socked gettin' it, but don't charge that to St. Nick.

Between you and the editorial "us," "we" think that if the chamber of commerce would call a "school" meeting, give the matter a thorough going over, appoint a live-wire, go-out-and-get-it committee, and after proper investigation, put the matter up to the school board and the city council, there'd be something done in a hurry. The school board and the city council are not going to go out looking for trouble—they have enough of that already—and unless they think the people want schools, they certainly can not be expected to get all "het" up over the matter.

At that, while lots of folks have said they like "Reservations" stand on the matter, only two of our friends have put their throats down with pen and ink. That makes just three of us definitely committed. We'd like to hear from some more—short and snappy. Next!

After several weeks of the usual unusual weather, the high fogs have lifted and now we're beginning to hear complaints from the guys who find it too cold to mow hay in the winter time and too hot to cut ice in the summer.

Ride All Day Sunday on a Red Car Pass

NEXT SUNDAY visit the famous beauty spots of Southern California. For transportation use a special Red Car pass. Start as early as you wish. Board a train at the nearest, most convenient stop.

\$1.00 Pass

Visit the beaches, the harbors. See the missions at San Fernando and San Gabriel. Take the DeLuxe Motor Coach trip over Beverly Boulevard. Ride to Hollywood. Go anywhere west of and including Uplands, except Mt. Lowe—all on a \$1.00 pass, secured from your station agent or conductor on the train.

\$2.50 Pass

The \$2.50 pass adds the famous Mt. Lowe mountain trolley trip, and the circle tour of the orange empire east of Uplands to your day of traveling. It is "good" over the entire Pacific Electric system, no matter what your destination.

Thrills for You

You'll enjoy this new travel arrangement because you ride as a privileged passenger of the line. You stop, where, when and as long as you please. When ready to go again, you merely show your pass to the Red Car or Motor Coach conductor. No delay. No questions. No red tape. The complete system is at your service. You can return to your home any time Sunday evening. Your pass is valid until 2 A. M. Monday morning.

Profit by these Sunday passes. Adapt them to fit your particular needs. They represent great savings over any form of travel in the Southland.

Interesting News Notes from Sierra Madre Canyon

Mr. and Mrs. E. B. Gray, Miss Ernestine and Robert, are visiting their daughters and sisters in Huntington Park and San Diego before starting on their trip east.

Mr. and Mrs. Bruce W. Bailey, new proprietors of the Trail Store took possession on Monday. They are old timers in California, having resided in this section since 1904. They plan to make their store attractive, not only for the hikers but for canyon residents as well and will carry a complete line of staple goods. Mr. Bailey is a brother of Mrs. Robert C. Lewis, a well known canyon resident for a number of years.

Early in the week a number of canyon residents seized their hammers, axes and saws and constructed a foot bridge connecting the Marlborough Terrace with the canyon, making it possible for residents of the Terrace to have direct access to the canyon. The bridge lies principally across property owned by Alfred J. Dewey, the well known artist. Materials and labor were a free will offering for the good of the community.

Mme. Ellen Beach Yaw Cannon, her manager Mr. Cannon, and wife, of Covina, and Miss Georgiella Lay, accompanist, of Los Angeles, were guests of Mrs. Ella A. Cadmus and Miss Laura E. Cadmus at Cadmus Villa and Lone Pine Studio Saturday afternoon. Canyon residents were given a treat when Mme. Cannon and Miss Cadmus sang several numbers out of doors under the trees.

Mrs. H. C. Reavis and her son Clay, Jr., left on Monday for Bakersfield where they were joined by Mrs. Reavis' two sisters and brothers-in-law, Mr. and Mrs. John Friesen and Mr. and Mrs. Harry Wilson. From there the party motored to Yosemite National Park where they plan to spend a week or ten days.

On Saturday evening Mrs. A. L. Phelps entertained three tables at bridge at her home on Brookside Lane. After the games delicious refreshments were served by the hostess. The guests were Meses, John P. Morris, Alfred J. Dewey, C. L. Hoover, Stella Weaver, E. P. Bradford, Myrtle Bradford, D. A. Hawk, Frances H. Burton, J. F. Key, Rugg and Miss Etha Weaver.

Mr. and Mrs. Leon S. Griswold spent the week-end at Glenn Ranch on Lytle Creek.

Mrs. Anna Madden and children Richard and Virginia, of Hermosa Beach, occupied their canyon cottage from Saturday until Tuesday.

Mr. and Mrs. Lewis B. Munger left for Long Beach on Monday after spending the past six weeks at their cottage, "Suits Us."

Mrs. F. A. Strock of Sacramento is a visitor at the home of her parents, Mr. and Mrs. D. A. Hawk, for a few days.

Mr. and Mrs. E. A. Anderson entertained with a family gathering on Saturday and Sunday at their home on Woodland Drive in honor of their daughter and son-in-law, Mr. and Mrs. H. B. Paisley of Santa Ana, who have just returned from a trip to Chicago where Mr. Paisley was called on.

business. Other guests were Mr. and Mrs. J. H. Burke and family and Mr. and Mrs. A. R. Orilli of Long Beach.

During the week Miss Minerva Boatright entertained the following guests at her home on Brookside Lane: Mrs. Frank Campfield and Miss Helen Holland of Los Angeles, Mr. and Mrs. James Boatright of Gallup, New Mexico, and Miss Florence West of Kansas City, Mo. Miss West plans to remain with Miss Boatright for a number of weeks.

Mrs. Dora King who has been residing in Mrs. Alma Haas' "Mountain View Lodge" apartment for the past two months, left on Thursday morning for Greeley, Colo., where she expects to remain for a couple of months.

Mrs. Jennie Collins, Mrs. Mack Mockbee and daughter, Margaret Jean, were guests at Seldom Inn Cottage from Thursday until Sunday.

Mr. and Mrs. A. C. Scanlan of Long Beach, are improving their four canyon cottages in anticipation of the busy summer season.

Mr. and Mrs. Theodore Blazewski, of Long Beach, were visitors at their cottage, "Oak Top," Monday.

Lack of funds in the city budget for the next fiscal year is the reason given by Pasadena city directors for refusing to appropriate \$50,000 for a swimming pool at Lamanda Park. H. P. Besse of Lamanda Park offered to donate a tract of land if the city would provide an outdoor plunge.

Scalp Treatment In Summer Season Highly Important

Dry weather treatment of the hair and scalp is something that puzzles a great many women. Feeling the hair dry and brittle and the scalp uncomfortable, they realize that something is wrong but do not know how to correct it. Hot olive oil treatment is recommended by Mrs. V. S. Vaupel of the Wistaria Beauty Shoppe as particularly good for the scalp during the summer. To get results requires several things—the right combination of a good antiseptic oil with glycerine, proper temperature for application, and thorough manipulation of the scalp. Of final importance is the right shampoo to leave the hair and scalp in good shape. At this stage even the hair dressing is important as there are some styles that should not be attempted. This is a question for an expert to determine.

Firemen Stage Annual Benefit In the Rose Bowl

The Firemen of Pasadena are again making preparations to stage their big annual Fourth of July Benefit Show at the Pasadena Rose Bowl, July 4 at 8 p. m. This yearly event is their fourth venture and according to advance predictions promises to exceed anything of its kind ever attempted in Southern California.

The program consists of a 3-ring circus, staged in the center of the big bowl, followed by fireworks display, both shows being for the price of one admission. The proceeds will go into a fund to take care of sick and injured firemen and the general welfare of the fire department.

ORDINANCE NO. 324

AN ORDINANCE CALLING A SPECIAL ELECTION TO BE HELD IN THE CITY OF SIERRA MADRE, CALIFORNIA, ON THE 24TH DAY OF JULY, 1928, AND SUBMITTING TO THE QUALIFIED VOTERS OF SAID CITY THE PROPOSITIONS OF INCURRING A BONDED DEBT IN THE FOLLOWING AMOUNTS AND FOR THE FOLLOWING PURPOSES, TO-WIT:

FIRST: ONE HUNDRED THIRTY THOUSAND DOLLARS (\$130,000.00) FOR THE ACQUISITION, CONSTRUCTION AND COMPLETION OF IMPROVEMENTS TO THE WATERWORKS OF THE CITY OF SIERRA MADRE, NECESSARY AND PROPER FOR SUPPLYING WATER FOR THE USE OF SAID CITY AND ITS INHABITANTS, AND FOR IRRIGATING PURPOSES THEREIN;
SECOND: THIRTY THOUSAND DOLLARS (\$30,000.00) FOR THE ACQUISITION, CONSTRUCTION AND COMPLETION OF A PUBLIC BATHHOUSE AND SWIMMING POOL ON LAND BELONGING TO THE CITY OF SIERRA MADRE LOCATED ON EAST GRAND VIEW AVENUE IN SAID CITY;
THIRD: SEVEN THOUSAND SIX HUNDRED DOLLARS (\$7,600.00) FOR THE ACQUISITION, CONSTRUCTION AND COMPLETION OF A PUBLIC BATHHOUSE AND SWIMMING POOL ON LAND BELONGING TO THE CITY OF SIERRA MADRE LOCATED ON WOODLAND DRIVE IN SAID CITY.

PROVIDING FOR THE ISSUE OF BONDS THEREFOR, AND FOR THE LEVY OF A TAX FOR THE PAYMENT OF SAID BONDS; DESIGNATING THE ELECTION PRECINCTS AND POLLING PLACES, AND APPOINTING THE ELECTION OFFICERS FOR SAID ELECTION.

The Board of Trustees, also known as the City Council, of the City of Sierra Madre do ordain as follows:

Section 1. Whereas the Board of Trustees, also known as the City Council, of the City of Sierra Madre, California, at a regular meeting thereof held May 22, 1928, by a vote of two-thirds of all its members, duly passed and adopted a Resolution determining that the public interest and necessity demand the acquisition, construction and completion by said City of Sierra Madre of the following municipal improvements, to-wit:

First: The acquisition, construction and completion of improvements to the waterworks of the City of Sierra Madre, necessary and proper for supplying water for the use of said City and its inhabitants, and for irrigating purposes therein.

Second: The acquisition, construction and completion of a public bathhouse and swimming pool on land belonging to the City of Sierra Madre located on East Grand View Avenue in said City.

Third: The acquisition, construction and completion of a public bathhouse and swimming pool on land belonging to the City of Sierra Madre located on Woodland Drive in said City; and Whereas, said Resolution was approved by the Executive of said City, to-wit, the President of said Board of Trustees also known as the Mayor, of the City of Sierra Madre, on said 22nd day of May, 1928, at said meeting of said Board of Trustees, also known as the City Council of said City, and was published on the 25th day of May, 1928, in the Sierra Madre News, a weekly newspaper of general circulation, published and circulated in said City of Sierra Madre; and

Whereas, the estimated cost of said municipal improvements is as follows, to-wit:

First: For the acquisition, construction and completion of improvements to the waterworks of the City of Sierra Madre, necessary and proper for supplying water for the use of said City and its inhabitants, and for irrigating purposes therein, the sum of One Hundred Thirty Thousand Dollars (\$130,000.00).

Second: For the acquisition, construction and completion of a public bathhouse and swimming pool on land belonging to the City of Sierra Madre located on East Grand View Avenue in said City, the sum of Thirty Thousand Dollars (\$30,000.00).

Third: For the acquisition, construction and completion of a public bathhouse and swimming pool on land belonging to the City of Sierra Madre located on Woodland Drive in said City, the sum of Seven Thousand Six Hundred Dollars (\$7,600.00); and

Whereas, such estimated cost of said municipal improvements and each of them, is and will be, too great to be paid out of the ordinary annual income and revenue of said City;

Section 2. Now, therefore, a special election is hereby called to be held in the said City of Sierra Madre, California, on the 24th day of July, 1928, for the purpose of submitting to the qualified voters of said City the propositions of incurring a bonded debt in the sum of \$130,000.00 for the acquisition, construction and completion of improvements to the waterworks of the City of Sierra Madre, necessary and proper for supplying water for the use of said City and its inhabitants, and for irrigating purposes therein;

Second: The proposition of incurring a bonded debt in the sum of \$30,000.00 for the acquisition, construction and completion of a public bathhouse and swimming pool on land belonging to the City of Sierra Madre located on East Grand View Avenue in said City; and

Third: The proposition of incurring a bonded debt in the sum of \$7,600.00 for the acquisition, construction and completion of a public bathhouse and swimming pool on land belonging to the City of Sierra Madre located on Woodland Drive in said City.

Section 3. That the objects and purposes for which said indebtedness is proposed to be incurred are as follows:

First: The acquisition, construction and completion of improvements to the waterworks of the City of Sierra Madre, necessary and proper for supplying water for the use of said City and its inhabitants, and for irrigating purposes therein.

That the estimated cost of said proposed public improvement is \$130,000.00. That the amount of the principal of the indebtedness to be incurred therefor is the sum of \$130,000.00, and that the rate of interest to be paid on said indebtedness is five (5) per cent per annum. That if the proposition of incurring said indebtedness for said purpose, so submitted at said election, receives the requisite number of votes, to-wit: the votes of two-thirds of all the qualified electors voting on such proposition at said election, bonds of said City of Sierra Madre in the sum of One Hundred Thirty Thousand Dollars (\$130,000.00) shall be issued and sold for said purpose. Said bonds shall be one hundred sixty (160) in number and one hundred twenty (120) said bonds shall be issued in the denomination of One Thousand Dollars (\$1,000.00) each, and forty (40) of said bonds shall be issued in the denomination of Two Hundred Fifty Dollars (\$250.00) each, and the principal and interest thereon shall be payable in lawful money of the United States. They shall be dated September 1st, 1928, and bear interest at the rate of five per cent per annum, payable semi-annually on the 1st day of March and the 1st day of September of each year.

Second: That the amount of the principal of the indebtedness to be incurred therefor is the sum of \$30,000.00, and that the rate of interest to be paid on said indebtedness is five per cent per annum. That if the proposition of incurring said indebtedness for said purpose, so submitted at said election, receives the requisite number of votes, to-wit: the votes of two-thirds of all the qualified electors voting on such proposition at said election, bonds of said City of Sierra Madre in the sum of Thirty Thousand Dollars (\$30,000.00) shall be issued and sold for said purpose. Said bonds shall be one hundred sixty (160) in number and one hundred twenty (120) said bonds shall be issued in the denomination of One Thousand Dollars (\$1,000.00) each, and forty (40) of said bonds shall be issued in the denomination of Two Hundred Fifty Dollars (\$250.00) each, and the principal and interest thereon shall be payable in lawful money of the United States. They shall be dated September 1st, 1928, and bear interest at the rate of five per cent per annum, payable semi-annually on the 1st day of March and the 1st day of September of each year.

Third: That the amount of the principal of the indebtedness to be incurred therefor is the sum of \$7,600.00, and that the rate of interest to be paid on said indebtedness is five per cent per annum. That if the proposition of incurring said indebtedness for said purpose, so submitted at said election, receives the requisite number of votes, to-wit: the votes of two-thirds of all the qualified electors voting on such proposition at said election, bonds of said City of Sierra Madre in the sum of Seven Thousand Six Hundred Dollars (\$7,600.00) shall be issued and sold for said purpose. Said bonds shall be one hundred sixty (160) in number and one hundred twenty (120) said bonds shall be issued in the denomination of One Thousand Dollars (\$1,000.00) each, and forty (40) of said bonds shall be issued in the denomination of Two Hundred Fifty Dollars (\$250.00) each, and the principal and interest thereon shall be payable in lawful money of the United States. They shall be dated September 1st, 1928, and bear interest at the rate of five per cent per annum, payable semi-annually on the 1st day of March and the 1st day of September of each year.

That the estimated cost of such proposed public improvement is \$7,600.00. That the amount of the principal of the indebtedness to be incurred therefor is the sum of \$7,600.00, and that the rate of interest to be paid on said indebtedness is five per cent per annum. together with the interest on all sums unpaid at such date.

Section 4. That for the purpose of paying the principal and interest on such bonds the Board of Trustees, also known as the City Council of said City shall at the time of fixing the general tax levy, and in the manner for such general tax levy provided, levy and collect annually, each year, until said bonds are paid, or until there shall be a sum in the treasury of said City set apart for that purpose sufficient to meet all sums coming due for principal and interest on such bonds, a tax sufficient to pay the annual interest on such bonds, and also such part of the principal thereof as shall become due before the time for fixing the next general tax levy.

Said tax shall be in addition to all other taxes levied for municipal purposes, and shall be collected at the same time and in the same manner as other municipal taxes are collected, and be used for no other purpose than the payment of said bonds and accruing interest.

Section 5. The polls for said election must be opened at 6 o'clock a. m. of the day of election, and must be kept open until 7 o'clock p. m. of the same day, when the polls shall be closed; except and provided, however, that if at the hour of closing there are any other voters, in the polling place or in line at the door, who are qualified to vote and have not been able to do so since appearing, the polls shall be kept open a sufficient time to enable them to vote. But no one who shall arrive at the polling place after 7 o'clock in the afternoon shall be entitled to vote, although the polls may be open when he arrives.

The ballots to be used at such election shall be printed substantially in the following form:

This number is to : MARK CROSSES (X) ON BALLOT
be torn off by In- : ONLY WITH RUBBER STAMP;
specter : NEVER WITH PEN OR PENCIL.
(Fold Ballot to this Perforated Line,
leaving top margin exposed)

INSTRUCTIONS TO VOTERS

To vote on any proposition of incurring a bonded debt for the purpose specified in such proposition, stamp a cross (X) in the voting square after the word "Yes," or after the word "No." All marks except the cross (X) are forbidden. All distinguishing marks or erasures are forbidden and make the ballot void.

If you wrongly stamp, tear, or deface this ballot, return it to the Inspector of Election and obtain another.

Shall the City of Sierra Madre incur a bonded debt of \$130,000.00 for the acquisition, construction and completion of improvements to the waterworks of the City of Sierra Madre, necessary and proper for supplying water for the use of said City and its inhabitants, and for irrigating purposes therein?	YES
Shall the City of Sierra Madre incur a bonded debt of \$30,000.00 for the acquisition, construction and completion of a public bathhouse and swimming pool on land belonging to the City of Sierra Madre located on East Grand View Avenue in said City?	YES
Shall the City of Sierra Madre incur a bonded debt of \$7,600.00 for the acquisition, construction and completion of a public bathhouse and swimming pool on land belonging to the City of Sierra Madre located on Woodland Drive in said City?	YES
	NO

The voter at such election shall mark his ballot by stamping in the appropriate voting square a cross (X) opposite the answers he desires to give as to such propositions. Such cross shall be made only with a stamp.

Section 6. That for the holding of such municipal election, said City of Sierra Madre shall be and is hereby consolidated into two consolidated voting precincts, consisting of a consolidation of the regular election precincts established for holding State and County elections, as duly established by the Board of Supervisors of Los Angeles County on December 12th, 1927, as follows:

Consolidated Voting Precinct "A" comprising State and County Precincts designated by said Board of Supervisors as Sierra Madre City Precincts Numbers One (1), Two (2) and Three (3), and the polling place thereof shall be and is hereby located at that certain Store Room No. 34 North Baldwin Avenue, and being on the East side of Baldwin Avenue between Central Avenue and Montecito Avenue in said City of Sierra Madre, and the Board of Election for said Precinct "A" for such election is hereby appointed as follows:

INSPECTOR: John C. Dabson.
JUDGE: Huliah O. Ingraham.
Clerk: Daisy Barbour, Clara Sykes.

Consolidated Voting Precinct "B" comprising State and County Precincts designated by said Board of Supervisors as Sierra Madre City Precincts Numbers Four (4) and Five (5) and Six (6), and the polling place thereof shall be and is hereby located at that certain Store Room No. 34 North Baldwin Avenue, and being on the East side of Baldwin Avenue between Central Avenue and Montecito Avenue in said City of Sierra Madre, and the Board of Election for said Precinct "B" for such election is hereby appointed as follows:

INSPECTOR: Eugene D. Burbank.
JUDGE: Marian Lees.
Clerks: Eleanor Bayne, Steve Petzel.

and all the above named persons are hereby appointed to such offices respectively and their compensation shall be \$5.00 each for all services.

Section 7. That in all particulars not recited in this Ordinance, such election shall be held as provided by law for holding municipal elections in said City.

Section 8. The City Clerk shall certify to the passage and adoption of this Ordinance by a vote of two-thirds of all the members of the Board of Trustees, also known as the City Council, of said City, and its approval by the President of said Board, also known as the Mayor of said City, and shall cause said Ordinance to be published in a newspaper of general circulation, published less than six days a week in said City of Sierra Madre, and thereupon and thereafter it shall take effect and be in full force.

Adopted and approved this 12th day of June, 1928.
W. F. THAYER, Jr.,
President of the Board of Trustees, also known as the Mayor, of the City of Sierra Madre, California.

Harnessing Tides
The most practical system as yet suggested for harnessing the tides is the basin system, because it permits large scale installation. It consists of one or more basins cut off from the sea by dams. As the tide rises and falls gates permit the maintenance of differences of level water between the basin and the sea, or between one basin and another during part of the tidal cycle. These differences in level produce the necessary head of water for production of power through turbines and auxiliary machinery.

PICNIC HAMPER

Picnic hampers may be planned to carry a suitable meal for all members of the family as the home table may serve. Especial consideration should be given the food taken along for the children. The usual meat and bun sandwiches with pickles should be reserved for the adult members of the party only.

The sandwiches for the children should be simply prepared. One side dark bread and one white with a filling between of which the children are especially fond can be provided. Chopped egg or liver paste with finely chopped lettuce make a wholesome sandwich. If the grown-ups are to have fried chicken, prepare the children's sandwiches of shredded stewed chicken. This entails a little more work, but it pays in keeping the digestive machinery in smoother running order for the children. Then, too, the broth from the stew is a good start for the family soup the next day. Individual package sandwiches are always attractive to children.

Thermos bottles of cool milk or warm milk cocoa are the best picnic drink for children. Crisp molasses cookies with well ripened fruit such as apples, bananas or colorful fruit gelatin made in individual cups round out a delightful supper for the children.

If the picnic meal comes at dinner time it should be planned so as to conform to the usual family dinner menu. Meat may be broiled and the younger children served small pieces, and scalloped potatoes or baked lima beans served to all. Sandwiches of lettuce, peanut butter and jam, fruit, cookies and milk (coffee for the adult members of the party) provide an ample picnic dinner.

All-day, large picnic gatherings are tiring on the children's nerves and stomachs if they are allowed to romp and eat at will. Family picnics with but a few guests and forethought given to the right kind of food served can be made a good recreation for every member of the family.

Sierra Madre Wins From Fast Team

Emley Emerges from Contest As Scintillating Hero of the Day

The Sierra Madre All-Stars went into their first game in the Monrovia Twilight League as a stable of dark horses, but when the hectic affair was over, they loomed up like a lighthouse on a clear, moonless night, while the Monrovia Presbyterians, three-time league champions, were flatter than a Fifth of July pocket book and wondering how it all happened.

The locals offered the Monrovia a little encouragement in the first frame by letting them cross the welcome mat three times and the down-river boys scored again in the second, third and fourth. But that ended it.

It took the local knights of swat an inning to get their bearing, and in the second they tasted blood for the first time. The third got them what the little boy shot at, and they got two more in the fourth. The fifth offered nothing to write home about, but in the sixth—that's a different story. With the score seven to three against them, the boys from Sierra Madre came from behind with five screaming markers, score 8 to 7; and that was that.

O. E. Emley, doing on Amundsen in the outfield, pulled the game off the fire when he caught a red-hot liner, with two on. It was a regular Babe Ruth wallop and would have cost the game had the genial "hello" magnate let it down.

The score:

	AB	R	H	O	A

Commencement Season Closes at School for Girls

After a week of gay festivities the graduation season at the Girls' Collegiate School near Glendora was brought to a brilliant close last Friday evening with the formal exercises of Commencement. The graduates numbered thirty-three young ladies, many of them from eastern states.

Several hundred alumnae, parents and friends attended the commencement ceremonies. The exercises were held on the school lawn. The final week of the school year was gay with parties, banquets, teas and the presentation of the annual senior play, "Sherwood," was enacted in the school grounds before more than 500 people.

Mrs. Charles B. Havens and son, Wilbur F. Havens, arrived by auto from New York this week. They are the guests of Mr. and Mrs. George M. Leher. Mrs. Havens is a sister of Mrs. Leher. They will remain in California during the summer.

From the Old News Files

TWENTY YEARS AGO

Miss Eleanor Campbell was chosen principal of the Sierra Madre schools to succeed W. W. Coates.

The Ladies Musical Club held the last program of the club year at the home of Miss Hazel Hill. Mrs. R. J. Lord, secretary, presented a report showing a large number of splendid programs and serious choral work during the year.

C. M. Clark went to Inyo county to inspect the property of the Sierra Madre Mining and Milling company.

Plans were laid before the Woman's Club by the president, Mrs. George H. Lettau, for the erection of a club house on two lots just purchased on West Central Avenue.

Rev. Father M. W. Barth, a retired priest from Chicago, purchased a lot on North Baldwin Avenue on which to erect a small Catholic chapel.

TEN YEARS AGO

The Pacific Electric announced new rates, making round trips 60 cents and daily commutain 25.6 for round trip.

A new pump was installed in municipal well No. 2.

I. B. Perrine of Twin Falls, Idaho, was a visitor at the home of his aunt, Mrs. Elizabeth Morigridge.

Leonard C. Tucker suffered a broken back as the result of a dugout collapse at Camp Fremont.

Gov. Stephens gave an address on War Savings at the picnic of the Congregational Sunday school at the home of Newman Essick, superintendent.

Grand Opening of Summer Season at Redondo Beach

A program of free attractions has been arranged for the formal opening of the summer season at Redondo Beach on Saturday and Sunday, June 23 and 24. The festivities on Saturday will include special entertainment features, a band concert and a grand dance carnival in the newly decorated "Mandarin Ballroom." On Sunday there will be band concerts, novelty vaudeville and numerous surprise features.

During the season there will be band concerts every Saturday, Sunday and holidays, novelty vaudeville acts Sundays and holidays and a special children's matinee every Wednesday afternoon in the Mandarin ballroom with free dancing, vaudeville and souvenirs for all boys and girls.

Entertainers to Appear at Sawtelle Thursday Night

Veterans at the government hospital at Sawtelle will be entertained next Thursday night by a group from Sierra Madre under the auspices of the local Legion Post and Auxiliary. Mrs. H. E. Allen and Miss Mary Allen, Dave Buchanan and Guy Rihard will offer "The Manicure," and several vocalists, including the "Fourth of July Quartet," will appear. Mrs. R. M. Finlayson will be accompanist for the musical numbers. A large number of Legionnaires and Auxiliary members will accompany the entertainers to Sawtelle.

Mr. and Mrs. H. B. Smith and family of Venice have come to Sierra Madre to reside, renting a house at 145 Auburn Avenue, thru the Andrews and Hawks agency.

We wish we could veto some of the bills that are presented to us.—American Lumberman.

NOTICE to BURN WEEDS

Well, folks, have you seen the notices posted on many of the vacant lots in the "Queen of the Suburbs?"

Quite a surprise for some of us on the longest day of the year. It's a good move—five prevention in its endeavors and one that will tend to make our city more attractive.

Talking about fires, I represent the Aetna Company, a far-reaching institution that sells protection of all kinds. There's not one of us in this town that's fully covered.

Forest Fire Code Strict On Smoking

The 1928 fire regulations for the national forests of California and Southwestern Nevada were announced today by District Forester S. B. Shaw, chief of the California district, United States Forest Service. These are:

1. A camp fire permit must be secured before building any outdoor fires on national forest land, including fires in stoves burning wood, gasoline or kerosene. A new form of permit will be used this season and will not be accompanied by the usual five windshield sticker. The applicant must sign the permit in the presence of the issuing officer to make it valid, and must also register his name, address, auto make and license number, number of people in party and destination, before receiving his permit. Camp fire permits may be secured from any federal or state forest officer, automobile clubs and other designated agents.

Society and Personal

The Order of St. Catherine will meet at the home of Mrs. Roy C. Wages, 89 East Alegria Avenue, Tuesday evening, June 26, at 7:30 o'clock.

Mrs. Noble, who has been visiting at the home of her daughter, Mrs. R. Van Duzer, 75 Bonita Avenue, leaves today for her home in Kansas.

The home of Mr. and Mrs. W. R. Humphries was the scene of a family dinner gathering on Sunday after the dedication exercises at the new Congregational church. The company included Mrs. Catherine E. Humphries, Mr. and Mrs. A. W. Ellwood, Mr. and Mrs. Arthur P. Pratt, Mrs. Edith Hawhurst, Miss Hilda Humphries and Mrs. F. K. Miller.

Mrs. Ralph Lord and her sister, Mrs. F. W. Bible of Oak Park, Ill., went to Catalina Island this week for a few days outing. They returned last night and Mrs. Bible left for Santa Barbara where she will visit at the home of Mrs. W. L. Gilliland. From there she will continue her journey up the coast, visiting Rev. Henry Caskey in Oakland, Irving Caskey and Mrs. Myers in Washington.

The dinner party in honor of the past matrons and past patrons of the Order of the Eastern Star Monday night was largely attended. The dinner and decorations were in charge of the officers for 1928 who were ably assisted by Mr. and Mrs. Harry Holland. At the chapter meeting Mrs. J. F. Brain and Miss Mary Brain were received into the order by initiation.

New Dairy Products Plant to Open on Foothill Boulevard

Ice cream cones for the kiddies and all the buttermilk the grown-ups can drink, and all free, is the promise of the new dairy products store opened at 3255 Foothill Boulevard by R. A. Watson, the offer of free refreshments being good for opening day only—Saturday, June 23.

Mr. Watson has been for the past eighteen months in charge of the manufacturing end of the Hillcrest company, and is regarded as one of the best makers of dairy products on the coast. He is a graduate of the famous Ames (Iowa) Agricultural College, taking a degree in the dairy products college. He has made a long study of health dairy products and is an expert in manufacturing and distribution.

He is especially interested in buttermilk from a therapeutic standpoint and states that if its healing qualities were better known, every household would consume a quart or more a day.

Mr. Watson expects to have a distributing agent in Sierra Madre in the near future, and will stand back of his product in every particular. Watson buttermilk is delivered in Sierra Madre by the Sherman Dairy.

Mr. Watson will have the assistance of his wife in conducting the new plant on the boulevard and the many friends made thru their courteous and friendly management in their former connection will be glad to know of their new venture.

Many Attend Dedication of New Church

(Continued from Page One)

Last \$1000, leaving \$2000 yet needed on this program. The successful financing of the enterprise without the use of high pressure solicitation methods or an unreasonably burdensome debt is regarded by experienced churchmen as a distinct achievement in itself.

The community reception on Wednesday night attracted an audience which filled the social hall for the entertainment program prepared under direction of Mrs. Milton Steinberger. The possibilities of the stage with its new drapes and silent, quick acting curtain were nicely shown. Two reels of motion pictures were shown by Rudolph Hartman who has had charge of planning the unusually complete electrical installation.

After a brief description of the plan and purposes of the building, Mr. Pritchard invited the guests to visit the various departments. The tour of inspection was a revelation to those who had not seen it before. Many church school workers from Pasadena and elsewhere were present and were most enthusiastic in their praise of the arrangements.

What to Do If Involved In Accident

Hit-and-Run Policy Is In Violation of the State Traffic Code

Traffic Regulations Are Very Stringent Concerning Reports

Police chiefs in California have commenced a war on "hit and run" drivers, and on the driver who fails to report accidents where persons are injured, according to the Automobile Club of Southern California.

Section 141 of the Vehicle Act requires these five things of a motorist in case of accident: He must immediately stop; he must render necessary assistance; he must give his registration number to the other party involved; likewise his name and address; likewise the names and addresses of those in his car up to five in number.

In addition, Section 142 requires a report of accident to be filed when anyone suffers injury. The report must be made to the Division of Motor Vehicles at Sacramento. Should the accident occur in a city, then the report should be made to the local police department.

Dolphins Leaving Next Month for European Tour

Europe seems to be the goal of an unusual number of Sierra Madre travelers this summer. Mr. and Mrs. H. V. Dolph, 178 East Central, will sail July 5 on the new S. S. Los Angeles of the Hamburg-American line. It will be the maiden voyage of the line which is one of four Diesel equipped ships built to carry freight and passengers between the west coast of the United States and Hamburg.

The Dolphs will tour Germany and Austria, take a steamer trip on the Danube, return through Germany to France, and spend a month in Paris. They expect to return to Sierra Madre in about four months.

RANAHAN-McCARRON
One of the beautiful weddings of the past week was that of Miss Teresa M. Ranahan, daughter of Mr. and Mrs. Peter Ranahan of 119 North Auburn Avenue, and Lawrence W. McCarron, son of Mr. and Mrs. William McCarron, also of Sierra Madre. The ceremony took place on Sunday at St. Rita's Church in Sierra Madre, with Rev. Hyacinth Cleary officiating, in the presence of two hundred relatives and friends.

The bride was lovely in a white satin and tulle dress, with lace veil forming a cap about her head. The veil was held in place by a wreath of orange blossoms. She carried a shower bouquet of roses and lilies of the valley.

The bridesmaid was her sister, Miss Margaret Ranahan, who was frocked in pale green taffeta, horsehair picture hat, and slippers to match.

Douglas Porter of Pasadena was best man. The Wedding March from Mendelssohn's "Midsummer Night's Dream," and "Ave Marie" Gounod, was played by her sister, Miss Helen Ranahan and sung by the chum of the bride, Miss Dorothy Petzel.

A reception and dinner were given at the home of the bride's parents following the wedding, of which 150 friends and relatives were present. The bride received numerous valuable gifts.

The young couple left later in the evening on their honeymoon trip to the Grand Canyon, Arizona, in their car, and later will make their home in Tucson, Ariz.

The next meeting of the Modern Priscillas will be in the form of a picnic gathering in the Arroyo Seco on Thursday, June 28. Hostesses will be Mrs. J. M. Campbell, Miss Lydia Webster, Mrs. C. W. Jones and Miss Flori Vannier. This will be the last meeting before the summer vacation period. Members are requested to phone Miss Vannier for particulars.

NOTICE TO LOT OWNERS

The City will be pleased to clean any lots that are posted with notices to destroy weeds, if the owners of said lots will give written order to do said work. This will avoid having the expense of this work assessed to the lots and become a lien on same.
